Air Shocks

- Exact duplicates of the original Fox air shocks popular in the 1970's
- Available in all original sizes ranging from 13.5" – 17.5"
- Adjustable high and low air pressure chambers providing infinite spring rate adjustment
- Fully assembled and ready for installation
- Just add air or nitrogen
- Fully rebuildable with VintCo rebuild kits
- All shocks are hand assembled in USA
- Includes manual and various mounting bushings

Top End Piston Kits

- Kit includes piston, ring(s), wrist pin, clips, wrist pin bearing and complete top-end gasket kit
- Pistons are made in Germany and forged for strength and MOS₂ coated to ease break in
- Includes all critical gaskets needed to complete a top-end rebuild with ease
- Gaskets are manufactured from modern materials and to ensure as good or better than OEM fitment and performance
